## DRAWING W/ SCISSORS

### SUPPLIES:

- 1) Large white Construction Paper
- 2) Bright colored construction paper  
(variety)
- 3) Scissors
- 4) Glue

## HOW TO DRAW WITH SCISSORS

Step 1: Large white construction paper for background

Step 2: Cut colored construction paper in shapes

Step 3: Fold colored pieces of construction paper in half and cut shapes (on the folded side of paper)  
cut stars, hearts, circles, coral fish

Step 4: Save the scrapes (Negative space) of construction paper to create your art.

Step 5: Arrange your cut outs on the white construction paper background and glue your cut outs onto the paper.
